Dear Elizabeth,

I wanted to let you know about a terrific interactive conference that is coming up in mid November, specifically designed for spiritual caregivers including clergy, chaplains, pastoral counselors, therapists, and lay pastoral care providers in the Rocky Mountain region and surrounding states.

Featuring Rev. Ron Richardson as the facilitator, the conference includes two all-day workshops - a different topic each day. CEUs are available.

On Friday evening we will join together over dinner and across disciplines to discuss the day's topics, to learn from and get to know each other, and to talk about ways we can be implementing these learnings in our places of ministry and in the community.

***Polarization in Society and in Congregations:
Understanding It & Addressing It***
