"Snow had fallen, snow on snow ..."

Dear Friends,

As we sit on the cusp of the new year, I look out at crisp snow that has fallen over the past few days, with temperatures that are crisp as well. It is a reminder that in this world we often discover grace and beauty in the midst of challenges and difficulties. One of my favorite quotes is from Anne LaMott who writes, "I do not understand the mystery of grace – only that it meets us where we are, but does not leave us where it found us."

So we here at Eremos Consulting Group hope that grace finds you wherever you are. We wish for you a new year full of wonder in the midst of challenges that bring you into a fuller measure of life.

With a nod toward wisdom, we offer to you this Advent meditation which also serves as a wonderful New Year's blessing. Even as we wait together on the cusp between old and new ... anticipating what is yet to be.

*Holy Expectancy, Fertile Possibility,
wait into me
like starlight falling on shadow.
Wait into me like leaf and blossom
unfolding into the unknown.
Wait into me like water yearning to boil.
Wait into me like clay anticipating*

**NEW VISIONS
WORKSHOP**
in Littleton, CO
featuring - in person
Dr. Peter Steinke

New Visions is a training program designed for leaders to raise mission consciousness, to plan mission activity, and to implement mission efforts in their congregations.

*the potter's hand.
Wait through dreaming darkness
to the questions of dawn.
Wait in silence and wait in words.
Let it be so. Let it be so.*

*Rev. Andrea La Sonde Anastos
[Imran Chara](#)*

And with a nod towards laughter and fun, we also offer you an oldie, but goodie, of a wintry blessing from the Next Generation.

Next Generation -
Let it snow, make it so

Recognizing that change will be resisted less if associated with mission, the training includes effective ways to process change.

The curriculum for the mission school has been developed by Dr. Pete Steinke, author of several best selling books. His book - A DOOR SET OPEN - is the center of the learning. Complimentary material includes several DVDs and study guides. Each trainee also receives a Training Manual.

Registration information will be coming. For more information on the workshop and New Visions, click on link below ...

Our goal is to provide you with the best possible service and to maintain your valued confidence – to bring insight, meaning, and hopefully some fun to the consultation and coaching process. Please let us know if there is anything we can do for you as you move into and through the new year.

Let it be so in 2015,
